Address: CC 93-D, Shalimar Bagh, Delhi 110088

### CAREER OBJECTIVE

To contribute outstanding technical skills and strong commitment to achieve company's goals, mission and if possible even contribute towards the vision. To be a potential resource to the organisation where I can utilize all my skills and knowledge which would help the organisation to grow and further enhance my growth and further enhance my growth profile. It would be a never ending dedication to main spectrum of integrity, honesty and character.

### BRIEF OVERVIEW

I studied in Jaspal Kaur Public School in Delhi. I have done Bachelor of Technology from Dronacharya College of Engineering in 2014 in Gurgaon with specialisation in Electronics and Communication Engineering. I had topped in my college in every semester and was **awarded as best student**. I had secured fourth rank in the second semester of Engineering at Maharishi Dayanand University, Rohtak .My final year project was to control the direction of vehicle using DTMF.I have interest in UNIX.
